Happy New Year!

I hope you all had a peaceful holiday; however you chose to spend it. We certainly got the white Christmas that we were dreaming of and it has stayed to see in the New Year with all the excitement that snow usually brings.

Despite doubling our storage last term and ordering more grit than usual, our supplies have now run out and we have been unable to access more. I have arranged for coarse sand to be spread on the main paths, but I would ask that you **take extra care on all hard surfaces, including corridors and classrooms, whether icy, snowy or wet.**

After-School Activities

With the icy conditions continuing, our **after-school activities will not resume next week as planned.** This has now been re-scheduled for the week beginning 18 January.

Mrs Trimble

Evelyn Trimble's commitment to Ashgrove was always clear from her kindness and practical support of children. Our thoughts are with her and the family as they deal with the tragedy and sadness of her long-term illness.
