RIGHTS RESPECTING SCHOOLS

Article 9 "Children must not be separated from their parents against their will unless it is in their best interests. Children whose parents have separated have the right to stay in contact with both parents unless this could cause them harm"

In school we work hard to respect all parents and careers in school. We ask parents to help us by keeping us informed if family circumstances change.

CORONAVIRUS – PLEASE KEEP VIGILANT

Thank you all for helping us to manage school in this most challenging of times. Please keep maintaining social distance while in school grounds and continue to wear a face mask.

As a reminder, you may send hand sanitiser to school for your child to use. We have a ready supply of tissues in school which many parents kindly donated at the beginning of term. Once again, please do not send your child to school if they are displaying any symptoms associated with Coronavirus, instead you should book a PCR test and they may return to school if the result is negative.

Should your child be diagnosed with coronavirus you must inform us immediately so we may send Warn and Inform letters to the class.

MISS SCHOOL=MISS OUT!

The Department of Education has shared information on why attendance at school is so important.

Here are some of the ways parents can help in ensuring good levels of attendance...

- ➔ Establish a good routine in the morning and evenings so your child is prepared for the day ahead.
- ➔ Make sure your child goes to school regularly and follows the school rules.
- ➔ Ensure your child arrives to school on time- not late.
- ➔ Arrange dental and medical appointments outside of school hours when possible.
- ➔ Always inform the school if your child is absent due to illness- this should be followed up with a written note.
- ➔ Do not take family holidays during term time.
- ➔ Talk to your child about school and take an interest in their school work (including homework).
- ➔ Attend parent teacher consultations and school events.
- ➔ Praise and reward your child's achievements at school.
- ➔ Always support school staff in their efforts to control; difficult or challenging behaviour.

EXCEPTIONAL WEATHER PROCEDURES

To date this winter, we have not experienced exceptional weather such as snow, ice or very hard frost. When needed, our paths in school are gritted and Mr Douglas works hard to keep us all safe in school grounds.

IF THERE IS ICE OR SNOW, PLEASE STICK TO THE GRITTED AREAS FOR SAFETY, BUT STILL TAKE CARE.

Should our school be forced to close in very heavy snow or treacherous conditions during winter, please note the following:

- 🌱 An early notice will be posted on our website: www.ashgroveprimary.com
- 🌱 A text message concerning the closure will be sent to each parent on our 'Class Parents' list/ or the First Contact given by parents to our School Office.
- 🌱 Messages will be posted on our Social Media accounts – Facebook, Twitter and our school app (download the app from our website, itunes or Googleplay).
- 🌱 A message will be shared with parents and carers on our Ashgrove App and See-Saw accounts

You will appreciate, this will be an exceptional circumstance and the school will only be closed if absolutely necessary. Working parents should ensure emergency child care is put in place and phone numbers are up to date should we need to contact you at any time.
