NUMBER DRESS UP DAY

This week in school we have celebrated the NSPCC Number Week & today the Number Dress Up Day. All week our pupils have enjoyed various creative Numeracy activities such as Number Break-Out Rooms, Scavenger Hunts and emoji maths. Many thanks to Mrs Ewing and her Numeracy Team for organising the various learning opportunities this week... see below some photographs of our Dress-Up Day.

SAFER INTERNET DAY

Safer Internet Day is on **Tuesday 8th February**. Never before has this issue been more important or relevant for our young people. The theme for Safer Internet Day this year is **'All fun and games? Exploring respect and relationships online'**.

**Safer
Internet
Day 2022** | **Tuesday
8 February**

Coordinated by the UK Safer Internet Centre

Safer Internet UK have a range of tips and strategies for parents/carers to support their children online at home. These include the following:

REASSURING YOUR CHILD THAT WHATEVER HAPPENS ONLINE, YOU ARE THERE TO SUPPORT THEM.

Let your child know that the best way to address any problem they have online, is to tell a trusted adult immediately. For example, this might include someone sending them a friend request; an online message; telling them to visit a specific website, or app; or asking them for their personal information. Reassure them that if anything happens online that they are unsure about, or makes them feel worried or upset, they can come to you for help.

KNOWING WHERE YOU CAN LEARN MORE ABOUT THEIR FAVOURITE APPS AND GAMES.

Websites like Common Sense Media or The Family Gaming Database can be invaluable sources of information. When your child starts talking about a new game or app, why not do some research into the reporting and blocking options available? Then you can help your child if they come to you with an issue

GOOD LUCK P7!

Tomorrow morning P7 pupils will receive their AQE/GL results. The long wait for you is almost over. It has been a difficult time for our P7 pupils to prepare and sit the various entrance tests, but they have worked solidly and once again made us proud. The results will be posted to the home address you nominated when registering for the various tests. We have offered the opportunity for P7 parents to speak with us in school about the completion of online applications for post primary schools.

MOBILE PHONES IN SCHOOL

We discourage children from bringing mobile phones to school but we recognise that some parents wish them to do so for child care arrangements.

If a pupil must bring a mobile phone to school, it must remain switched off throughout the day and out of sight e.g. kept in a school bag or handed over to the teacher for safe keeping. Mobile phones which are used during the school day will be taken by an adult and returned at the end of the school day.

Should you as parents/carers need to contact your child throughout the day, this should only be done via the school office. Thank you for your help and consideration with this.
